## Testimonial

"Having the opportunity to work with AFLCT has been truly beneficial; they've provided unique experiences that have positively impacted our students. Their professional artists are strong role-models who encouraged students to take risks, find their voices, and be confident young people. They assisted in the process of inspiring our students to discover their individual identities and be able to self-assuredly express and share their ideas and opinions."

## Description

This program will take students and faculty on a musical journey through the rich music history of the United States. Meant for any age group, this experience transcends all boundaries, cultures, races, creeds and colors. Each song will be given a brief introduction describing the song itself, the artist and its contribution to American Music.

Boogie Chillun will have audiences sing, dance and clap along to this interactive program. The band will perform Hymns and Spirituals, songs of freedom, Country, Blues, Jazz, Rock and Soul all the way to Hip-Hop. Boogie Chillun culminates this experience with their own hallmark song.
