Testimonial

"The Make a Good Choice" program is a great way to support character education as it not only teaches children about universally recognized and accepted human values such as respect and kindness, but also engenders their commitment to these values; enabling them to truly "walk the talk" of good character."

Dr. Eileen Santiago, The Thomas Edison Community School, Recipient of the National School of Character Award

Description

Through original songs, stories and audience interaction, this Parents Choice Award winner takes his audience on an exciting journey back through Lou's childhood! Lou provides a welcoming environment as he guides students through songs and stories that celebrate inclusion, equity and social justice. Respect, tolerance, kindness and issues of bullying are also covered throughout the show. Children will get the chance to decide what kinds of choices they would make if they were in Lou's shoes and how those choices reflect on their own lives. MAGC can be tailor fitted into any character ed theme your school is focused on.

Objectives

1. Students will listen to and understand true songs and stories from the storyteller's childhood.
2. Students will use their speaking and listening skills during the "Make a Good Choice!" performance.
3. Students interact with a live actor-storyteller and become directly involved in dramatizing the stories from "Make a Good Choice!" .
4. Students will be able to do perspective taking and make connections between the stories and their own experiences. They will leave thinking more about equity, inclusion and social justice and how it affects their lives.
